

# More travel options with Australia Pass

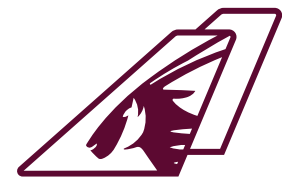

**Embark on the trip of a lifetime with the Qatar Airways Australia Pass.**

Connect seamlessly to major Australian hubs in Adelaide, Brisbane, Canberra, Melbourne, Perth, and Sydney, and extend your adventure to 35 destinations with Virgin Australia.

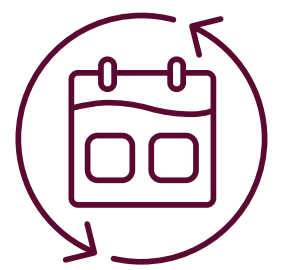

# How does it work?

Book a Qatar Airways flight to Australia through the GDS.

Select and combine with any Virgin Australia available destinations

The GDS will then automatically pick up the Australia Pass and calculate the price in a single booking.

## Please note:

- The fare basis (FBC) of the Australia Pass fares is \*-JAPIVR3, where\* is related to the booking RBD.
- To book the Australia Pass please select S/V/D RBDs on Virgin Australia flights in combination with any RBD on Qatar Airways flights.
- Virgin Australia sectors can only be booked in Virgin Australia Economy (S/V RBDs), and Business Class (D RBD), using a Virgin Australia flight number. Applicable for bookings from Qatar, Pakistan, and other countries across Europe, the Middle East, the Caucasus and Africa.
- Virgin Australia sectors need to be booked in conjunction with Qatar Airways long-haul flights and issued in one single booking.
- Private Fares Combinability is applicable to book from Europe with Virgin Australia interline flights.
- For Virgin Australia interline segments, the following baggage allowances will apply: Economy cabin 30 kg, Premium cabin 40 kg.
- For Qatar Airways interline segments, the Qatar Airways baggage allowance applies.
- Australia Pass can be combined with Qatar Airways international flights in Economy, Business and First Class.
- Qatar Airways TTLs can be aligned with Virgin Australia interline flights.
- The Australia Pass product must only be issued with a maximum of eight Virgin Australia segments.

# All routes at a glance

Select up to eight one-way flights from the table. You can book any combination of the flights, in either direction, to suit your guests' travel needs.
